Renewal Letter and Form for 2012

Dear Denver Oilmen Club Member,

We hope you will join us in celebrating our 50th year as a Club. It was 1962 when the Club started and Dale Chapman with Conoco was our first President. Now it is 2012 and Katina Smith, with Silco Oil, is our new President. It is again time to renew your membership. Due to your support in 2011 we were able to contribute to The Gabby Krause Foundation and The First Tee.

Please remember that we will be meeting on the second Wednesday of every month except for our golf tournaments. The tournaments will be on Monday, May 21st and Monday, August 13th, you can mark that on your calendar.

The following are the new board appointments. The Christmas committee is Liz Kaiser and Renee Shellhorse. The committee in charge of our golf tournaments is John Drafts, Tony Bills and Rich Keeran. The membership committee is Laurie Chilson, Rick Hittle, and Greg Wakeman. The committee for planning programs will be, Jim Kerth, Nick Kliebenstein, and Kathy Peters, and our website master is Lamont Hull.

This year we have two new board members, Tony Bills with C.W.P.M.A., and Laurie Chilson with Suncor Energy. John Drafts, Lamont Hull, and Greg Wakeman have been re-elected to the board. We would like to thank all of our board members for donating their time to The Denver Oilmen's Club.

If you have any questions or concerns please don't hesitate to call the President, Katina Smith, (720-289-6977) or the Secretary, Diane Hill, (303-424-8008).

It is now time to renew your club dues for 2012. You might notice that there has been a slight increase in our dues. We hope that you will understand that the Club (who hasn't increased dues in over ten years) has increases in expenses as well. Please fill out the following renewal form and send it in with your payment. It is important that the secretary receives this information to keep her files current.

Thank you again for your support of The Denver Oilmen's Club. We are looking forward to your continued friendship and participation.

Sincerely,

The Denver Oilmen's Club Board,

Diane Hill
Secretary
